For the four days of our Annual Conference in Ljubljana this year, our roving photographers were there to capture every minute. Here are the highlights!

In October we gathered together with 450 activists from across Central in the Slovenian capital of Ljubljana for the ILGA-Europe for the ILGA-Europe Annual Conference. And what an experience it turned out to be! Four inspirational days of connecting, sharing, thinking, talking, listening, learning, re-energising and building strength for the work to come. There was lots of laughter too, rooted in the sheer, queer joy of being together in such a special and mutually supportive space. And, of course, there was our traditional karaoke, with a host of unforgettable performances! Here we share a visual snapshot of the conference with selected images from our wonderful photographers, Domen and Nada. Thanks again to our host organisations in Ljubljana, Legebitra, Ljubljana Pride, ŠKUC, and TransAkcija!
