

Policy Briefing on LGBTI Refugees and EU asylum legislation

[Policy Paper](#), [Safety](#), [Asylum](#), [European Union](#)

LGBTI asylum seekers are often at risk of additional danger because of their SOGIESC during their journey and upon arrival in the country where they seek asylum, which can take the form of harassment, exclusion, sexual violence, or other forms of violence. Often but not always, they qualify as vulnerable persons with specific needs in legal assistance, reception conditions, healthcare, and others throughout the asylum process.
