Report, Legal Protection, Court of Justice of the European Union, European Court of Human Rights, Strategic Litigation

In order to focus our strategic litigation efforts across Europe to fully protect and advance LGBTI rights, with this inventory ILGA-Europe wants to support members and partners across the region to identify trends and gaps in protection at the European level, which can commonly be tackled through litigation. The inventory can further strengthen cooperation and help guide our work and efforts by others in bringing forward and supporting strategic cases.

This inventory and continuous assessment of the European landscape informs ILGA-Europe's ongoing engagement in strategic litigation through identification and support of strategic opportunities.

This inventory covers relevant SOGIESC cases from 2010 up until December 2023.
