

Make It Work: Six steps to effective LGBT human rights advocacy

[Report](#), [Legal Protection](#), [Human Rights Defenders](#)

The advocacy manual which has been produced by ILGA-Europe to provide a logical structure and a set of methods, tools and skills which human rights defenders can use in planning and implementing their advocacy work. It is primarily concerned with how and where LGBT human rights defenders in the domestic setting can employ international and regional human rights instruments to frame their arguments and achieve their advocacy objectives.

The Guide is available in English, Turkish and Russian.
