

Standing up for human rights of intersex people

[Report, Bodily Integrity, Inclusion and Equality, Intersex](#)

This toolkit will explain the major challenges intersex people face in different areas of life, set out intersex people's demands, provide information about current political developments, as well as give advice on how to become a great intersex ally.

The cornerstone of successful advocacy is knowledge. If you want to know how you can work for change, this toolkit will help. It will explain the major challenges intersex people face in different areas of life, set out intersex people's demands, provide information about current political developments, as well as give advice on how to become a great intersex ally.
