Homophobia is still strong in the Czech society and the legal situation of LGBT people is not adequate.
GAY RIGHTS ARE HUMAN RIGHTS
The primary goal of our project is:

- protecting the human rights of LGBT persons
- preventing homophobia in the Czech society and creating an environment of dialogue between the majority population and the LGBT community
- achieving these goals through a nationwide anti-homophobia campaign

The secondary goal was:

- to protect the most vulnerable groups within the LGBT community, which in the Czech context are LGBT families
- to work with these families via support groups
- realize an analysis of the current situation of LGBT families that will serve as a basis for policy paper on change of the Civil Code which will be presented to the Governmental Council on Human Rights
Thank you!
