

Webinars for activists: Funding for LGBTI Activism

[Event](#), [Funding](#)

We are happy to invite you to the upcoming webinars on the Funding for LGBTI Activism in Europe and Central Asia – Priorities and Access to Resources!

We invite LGBTI activists working in Europe and Central Asia to join us in a series of webinars to discuss the findings.

1. Community Organising – Why is it a Priority? Monday 4 June at 16.00 CEST (Duration: 1hr)

We will talk with activists about why community organising is such a critical activity in these times. It appears that this activity is often underfunded and we would like to discuss why this is the case and what can be done about that. Note that this webinar is for activists only. Registrations closed.

2. Fighting opposition – what does it entail? Thursday 7 June at 16.00 CEST (Duration: 1hr)

We will talk with activists about how they fight opposition. What are effective strategies and what is the role that funders can play in supporting this? We want to discuss how funders can contribute to this important work. Note that this webinar is for activists only. **Registrations closed.**
